HEATHER GLEN GOLF LINKS

Inspired by the traditions of Glen Eagles and St. Andrews, architects Willard Byrd, Clyde Johnston and a small group of ardent golfers, dedicated to keeping alive the rites of this most ancient game, have molded a 400 acre historic site in North Myrtle Beach into a Scottish masterpiece.

The 18th century clubhouse is a showcase symbolizing the beauty of traditional Scottish design. The facility incorporates a well stocked Pro Shop, grass tee driving range and a authentic Scottish Pub where you can enjoy lunch as well as your favorite spirits.

Heather Glen is truly a golfing legend, and word of its wonders are whispered from golfer to golfer round the world.
